Medical Meetings On Demand captures the latest education and research presented at the annual meetings of key medical societies, associations, and institutions—enabling users to access every presentation anytime, anywhere as if they were attending live.

What users are saying about Medical Meetings On Demand:

“The ability to listen to and review many of the important talks at the conference is essential and helpful in staying up to date. The formats are plentiful and easy to use, which is another major advantage.”

“Has a lot of up to date information not otherwise easily obtainable.”

“It allows me to view lectures that I had missed as well as stop and start the program at will to get maximum educational benefit.”

“There is so much information! It is easy to search items that interest me.”

Medical Meetings On Demand

Why Medical Meetings On Demand?
- Actually hear the leading experts in the field presenting their latest research.
- See everything that was presented on screen with fully synchronized audio.
- Highly searchable — easily jump to specific parts of a presentation that reference your keyword search.
- Keep your patrons up to date on best practices in the field.
- It is the perfect tool for ongoing education and reference.
- Downloadable MP3s for listening on the go.
- Stop, start, and rewind any presentation so you don’t miss a thing.
- For users that did attend the meeting, they can re-watch presentations and catch ones they missed.
- Own every presentation so you can access year after year.

Visit the mobile-optimized player for any of the Medical Meetings On Demand and start viewing any presentation — search specific terms or browse by schedule, session, or presenter.

Search every word on every slide!
- Search results include time stamps of where your search term appears.
- Users can then click to jump to that specific point of the presentation.

Watch everything the presenter shows on screen, including embedded videos, such as procedures, mouse movements, etc.

- Full-screen mode allows you to scan the slides and jump to any point in the presentation.

Award-winning Support and Consultative Services
- Ovid’s award-winning support teams help implement tools into your library for the most optimized deployment, promotion, training, configuration, and customization.
- 24/7 support is available in over 20 different languages.
